The accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, and Trustee of Trust Funds, are included in our examination and audit.

FINANCIAL STATEMENTS

1. The Comparative Balance sheets show an increase in the net debt of The Town in the amount of $557.76.

2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations in the amount of $2,645.73.

3. The Statement of Estimated and Actual revenues shows a net revenue surplus in the amount of $2,812.59.

4. The Town has a net Budget surplus for the fiscal year of 1972 in the amount of $5,458.32.

5. The summaries of the accounts of the Town Treasurer, Tax Collector, Town Clerk, and Trustee of Trust Funds are also included.

6. Summary of Long Term Indebtedness.

AUDIT PROCEDURE

The Audit procedure included comparing of vouchers and cancelled checks with supporting invoices and payrolls, as well as entries of record. Receipts were verified insofar as possible and totals of all receipts and expenditures were verified. Book balances were verified by comparison with reconciled Bank balances made from Statements obtained from the depository Banks. Uncollected taxes were verified by mailing notices to a majority of the delinquent tax payers, as indicated on the Tax Collector's records.

CERTIFICATION OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, and Trustee of Trust Funds of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1972, and have found them in excellent order, and to the best of our knowledge and belief the financial statements and summaries reflect the true financial condition of the town of Richmond for the period under review.

THANKS

We express our sincere thanks and appreciation to all the officials of the Town of Richmond for their kind cooperation and assistance during the course of our audit.

Very truly yours,

Arnold B. Conway

LIBRARIAN'S REPORT

In many ways I can say that this past year has been a progressive one. Chiefly, because plans got under way for the new addition which, up until now, has been a far-off dream. While we have the ultimate building in our minds and on paper, only the foundation and possibly a small building moved upon part of it will be done this coming year. How much more or how soon it can be completed, we cannot say at this time. I am grateful to the Board of Trustees for the time and thought that they have put into these plans and to Bob Gorman we are all indebted for his useful suggestions, his time and effort involved in transferring our plans to paper.

We held two book and food sales this year, one on May 27th and the other on Richmond Community Day. Both proved quite successful.

The "Adventure Time" program for children ages 5-9, got off to a start in September. This is conducted each Saturday afternoon from 2:30 to 3:30. There are stories, filmstrips, films, crafts, and games--each Saturday something different. Several of the mothers and interested people have volunteered to work on this program.

A gift of a Fisher Hi-Fi Stereo and radio has been presented to the library. While we do not presently have the room to put this to its' ultimate use, we hope to when we are in our new addition.

Ten rugosa roses were planted in front of the building this summer. These were a gift from the Conservation Committee.

My many thanks to the committees that served so faithfully on our sales and to all those who have contributed books, magazines, games, time and money. We are all grateful for your continued interest and support.

Respectfully submitted,
Edith W. Atkins

REPORT OF POLICE CHIEF

First your Police Department wishes to thank our local people for promptly reporting all suspicious incidents and urges everyone to continue to do so.

Number of calls in 1972:

Calls from Control Center	10
Emergency messages delivered	4
Hit and run accidents	3
Car accidents investigated	22
Cars stuck on highways investigated	22
Disturbances investigated	29
Court summons served for out of town units	4
Stray dogs picked up	11
Complaints on snowmobiles	7
Investigated drug complaints	3
Called out of town to check stolen property	6
Breaks investigated	39
Assisted on above by Sheriff's Department	8
Investigated burglar alarm at Ralph Harpe's	7
Called by Winchester Police to investige burglar alarm at Norman Tandy's	2
Undesirable persons escorted from town	8
Investigate rape case assisted by Sheriff's Department	1

The town beach was checked at least once a day in summer months. All complaints were investigated and all property at the pond was checked periodically, sometimes on snowshoes.

On school days your children have been protected by Police or Auxillary Policewoman, Mrs. Mona Packard. On stormy days the children wait for the school bus in the Civil Defense building which is not heated.

I have patrolled all town areas at least an average of 5 times a week. We have had one new Special officer added to the force, Walter Bradshaw of the Whipple Hill area.

We had to cut down patrolling last year due to the Police Budget. We put in for $2800 and got $2500. We were about $500 over budget. We want $300 for 1973 as we have equipment to buy and are asking for $2.00 per hour for all men on duty.

REPORT OF FIRE CHIEF

I hereby submit my report to the Selectmen and citizens of Richmond for the year ending December 31, 1972.

The year of 1972, we were very fortunate that we had only a car fire and one partition fire which did not amount to anything.

We were called out on one Mutual Aid call to Fitzwilliam for cover while they were in Winchendon, Massachusetts, to a building fire.

The company has purchased a few more coats and hats from the donations of the firemen.

We have also purchased two new portable radios. The town paid for one of these and the fire department the other.

Our old portable pump has not been in running order since last fall. We have decided it was time to invest in a new one. It should arrive about the middle of February, 1973.

The company turned over the third payment of $500.00 to the town that they agreed to pay on the new fire truck.

At this time I would like to thank everyone who worked on trucks when needed and expecially want to thank Meadowood and surrounding towns of Swanzey, Winchester, Fitzwilliam for help through Mutual Aid.

Robert VanBrocklin, Chief
Richmond Fire Department

Report of the Cemetery Committee

To the Board of Selectmen:

Your Cemetery Committee has made considerable progress on the Earl R. Howard Cemetery Extension this year, and we, the members of the Committee, report the following projects as being completed:

1. At no cost to the Town, we obtained 125 arbor vitae shrubs, which we set out on the south side of the area for a boundary barrier. These were obtained from the New Hampshire State Nursery at Boscawen through the Cooperative Extension Service and the State Forestry Department.

2. The lots have been laid out and roads have been put in by removing the top soil, which was stock piled for composting on the west side of the area, and all roads were graveled up to the grade of the lots. The lots were laid out essentially the same as the original plan except, that the two-body lots were changed from the south side to the north side,and the three-body lots were put on the south side because of the stone wall which separates the original cemetery from the extension.

The work was done by Leonard Lawrence at a cost of $262.75. The crushed gravel was purchased from the Town for $172.80, making a total of $435.55.

We have a balance of $978.95 left of our appropriation with which we hope to be able to straighten up the wall and entrance on Route 32, reseed any areas that need it, and get our lot markers installed.

We would greatly appreciate it if anyone with a knowledge of stone masonry would be willing to supervise this project because we have been unable to get a price on the stone work that we can possibly afford.

Report of the
Richmond Conservation Commision

To the Board of Selectmen:

As required by statute and for the information of the citizens of Richmond, the Richmond Conservation Commission hereby presents the following report of its activities for 1972.

In compliance with the favorable action by the 1972 Annual Town Meeting, the Selectmen appointed two new members, Jeffrey Taylor, who is a practical conservationist and well versed in forestry practices and natural resources, and William Suderman, who is also a conservationist and can work wonders with his cameras. Norman Tandy was reappointed for three years.

We have had a very busy and, we hope, productive year. Some of our projected plans were accomplished and some remain to be fulfilled in 1973.

1. We have held open meetings, either regular or joint meetings with Commissions in neighboring town, every month, with various special meetings and work sessions.

2. We attended promotional meetings in Troy and Fitzwilliam to help increase interest in establishing Commissions in those towns, and both towns voted favorably to the proposal. An organizational meeting was held in Fitzwilliam to assist in establishing a program of action.

3. We have held two joint meetings with Winchester on the subject of waste disposal, one with Fitzwilliam, and a promotional meeting with Rindge to inspire activity in their Commission.

4. Two members attended the Annual Meeting of the New Hampshire State Association of Conservation Commissions in Conway, and Harry Bennett, Chairman of the Richmond Commission, was elected President of the State Association.

5. We were finally successful in getting our Ford Foundation Grant of $2400 approved for our Soil Survey, and we have certification from the Cheshire County Soil Conservation Service that the field work will be done in the spring and summer of 1973. The $2400 from the Ford Foundation and your $1650 appropriation of 1972 are in a special account at interest in the Cheshire National Bank.

6. We performed six more acres of Timber Stand Improvement work in the Town Forest under the REAP, a Federally sponsored program.

7. The Commission sponsored a boy to attend the Conservation Camp at Spruce Pond in the Bear Brook State Reservation. Of the twelve young people who were eligible to go from Richmond, only two applied. Peter Tandy was chosen to go as he was the only one who had not attended a camp previously.

8. The Commission sponsored an essay contest through the Mondanock Regional High School District on the topic of "What Conservation Can Mean to Richmond." The contest was open to all high school students from Richmond. The chairman of the school board served as judge with two other board members of his choosing giving assistance. Kristin Tandy won $25, Candice Mattson $10, and Toivo Liimentainen $5. A generous contribution from a lady who wished to remain anonymous made this possible.

9. We manned a promotional booth again this year at the Firemen's July Barbecue, and we dispensed information and conservation bulletins.

10. We obtained rosebushes, white birch and sugar maple seedlings from the State Nursery at Boscawen, and these were planted by members of the community on the Common and near the Library. About seventy spruce and scotch pine seedlings were planted by the Commission in the Town Forest.

11. By concerted effort, the Commission obtained enough funds to purchase from Emily B. Whitney the balance of the Shepardson Lot of 5.2 acres lying north of Route 119, and west of the Ralph Whitney Memorial Park for $500. This assures the Town of having sufficient land for any desired expansion of the Library and it has marvelous possibilities for a Wild Life Area and a park. We trust that the Town will see fit to accept this gift from the Commission.

We have tremendous plans for the future, but we will tell you about them next year as we hopefully fulfill them.

The financial statement of our Commission Fund and the Soil Survey Account, both of which have been approved by the Town Auditor, are as follows.

SELECTMEN'S REPORT

Your Selectmen have continued working on the new card system of assessing, but due to lack of personnel and time, we were unable to complete the system this year. Hopefully, we can impliment the new system for next year's taxes.

At this time, the case relating to the proper use of our right-of-way to get to the Town Hall and the Middletown Cemetery is still pending on the Court's docket. Also still pending is the case of the alleged failure to clean up a collapsed building.

On Aug. 28th, the Selectmen accepted the resignation of Frederick Gilbert as Selectman and shortly after we appointed George Blais to fill this vacancy until Town Meeting.

During the year, we also accepted the resignations of Leland Robbins, Frank Valez, and Roger Carrier from the Police Force. Lawrence Sweeney was appointed to the Regular Police Force and Walter Bradshaw was appointed to the Special Police Force.

On Nov. 6th, it became necessary for the Selectmen to remove from office the Road Agent for failure to discharge his duties as Road Agent, and failure to follow the instructions of the Selectmen. Terrance Qualters was appointed Road Agent until March.

The Selectmen worked with the Recreation Committee and Library Trustees on the matter of moving the building located on the Braley beach property. This is the property that is adjacent to the Town Beach and was purchased by the Town last year. It was decided that the building will be used as an addition to the Library.

During 1972 the Selectmen issued 16 building permits and 9 pistol permits.

Last summer the Selectmen hired a stone crusher and had 2000 yds. of gravel crushed for use on Town roads.

Henry Patnode was engaged, and completed extensive repairs to the roof structure of the Veteran's Hall.

REPORT OF THE PLANNING BOARD

Regular meetings were held at the Town Hall on the second Wednesday of every month to act upon applications for subdivisions, and to plan for future development of the town. Two informal meetings and two public hearings were held re amendments to zoning. Board members attended several meetings at Dublin and Winchester where solid waste collection and disposal was discussed. As no regional decision is as yet forthcoming we must soon find our own answer to this problem as Winchester's open dump will be banned after 1975.

The Board was gratified at the voters acceptance of its recommendations for zoning amendments in 1972. It will be necessary to amend the Zoning Ordinance each year so as to legally protect us and our enviorment without unduly restricting or regulating our growth and activities.

The Board appointed Edith Atkins, Harold Dickinson, Gordon Nelson, Herbert Steinberg and Alan Harvey as a committee for a Richmond Historical Society. Their recommendations for the formation of this society, its need, purposes, and activities have been presented to the Board of Selectmen, and appears in the Town Report following this report

Gordon Nelson and Thomas Baird served as our representatives to the Regional Planning Board, attending regular monthly meetings with other member towns in the Cheshire and Hillsboro County district.

David Graves was appointed to the Board and George Blais replaced Frederick Gilbert as Selectman representative.

Seven fire ponds with dry hydrants in four different parts of town will have been completed by next fall due directly to our subdivision regulations.

The Board is at present preparing a questionnaire, which will be sent to all property owners in Richmond so that we can better incorporate your wishes for the future of Richmond in our planning.

SUBDIVISION APPLICATIONS APPROVED

1. TREE GROWERS INC. — $25.00 fee. Eleven lots of from 5 to 10 acres each situated on both sides of Rte 119 west of the Four Corners (Colony lot) approved subject to completion of two fire ponds with dry hydrants. Sites of the John Cass Inn and the Kelton Cemetery, being within these lots, have been declared Historical Sites and will remain untouched and will have public access by foot path.

2. LAND SYSTEMS INC. — $25.00 fee. Seven lots of 15 acres each, plus 56 acres to be held in common on land formerly known as the Allen lot south of Suderman's on the Martin Road, now subject to gates and bars. Land Systems will gravel the road abutting their property and install two fire ponds with dry hydrants, and is under bond for $8000. until this work is done.

3. NEW HAMPSHIRE ACRES INC. -$25.00 fee.Nine lots of 4 to 45 acres each on the Lang lot on both sides of Lang Road at Mud Pond. N.H. Acres Inc. is in bond for $1000.00 until completion of the fire pond. Also it is understood that Richmond residents may have foot access to Mud Pond.

4. There were also several lots with a single division approved by the Board. A $5.00 resident's fee accepted for each application.

To: The Planning Committee, Town of Richmond

From: The Committee for a Richmond Historical Society

The Committee for a Richmond Historical Society, having been duly appointed July 12, 1972 by the Planning Committee of the Town of Richmond, and having met in committee July 12, August 21 and September 25, here with make the following recommendations:

1) That the Town of Richmond, being one of the oldest settlements in New Hampshire and rich in history, make a definite effort to preserve its past ad historical treasures for the benefit of its residents and the enjoyment and edification of the citizens of Cheshire County and posterity through the establishment of a permanent Historical Society in the Town of Richmond.

2) That a permanent site be provided to house the society and its historical collections.

3) That a permanent directorship be appointed by the Town in open meeting or by authority through Its Planning Committee to establish and guide the Society, with membership open to all interested town residents.

4) That all the historical records and other historical material of a valuable nature, which may not necessarily be exhibited publicly but which should be preserved for posterity, be stored in the basement of the new library addition.

5) That the Committee for the Historical Society and the Society, when and if established, be empowered and responsible for the collecting, sorting, recording and storing of all historical material, and act as a repository for all items of a historical value given or loaned to it.

6) That a museum be established by the Society for the exhibition of historical relics, documents and other material of interest to the Town and County in the building provided.

7) That a suitable place be provided by the Town as a headquarters for the Historical Society that will house its collections, files, and museum, and that this building might also be used for other Museum collections, special exhibits, antique and Arts and Crafts show etc. which could prove of benefit to the town in attracting outside interest.

8) That the Historical Society determine and mark all sites, areas, buildings and objects of historical significance or interest within the Town boundries of Richmond.

9) That the residents of Richmond be encouraged to restore and identify homes and property of historic interest.

10) That an effort be made to encourage and promote outside interest in the historical preservation of the Town of Richmond.

11) That an effort be made to invite the cooperation and involvement of County and State authorities and Societies where advisable and insofar as the interests of the Town of Richmond are concerned.

12) That investigation might be made in regard to sites and areas of historical interest in danger of being lost due to private sale or development.

13) And lastly, that an effort be made to promote, encourage and foster the introduction of native arts and crafts.

REPORT OF RECREATION COMMITTEE

The sum of $6,500.00, that was approved at last years Town Meeting was used to purchase the Braley Property that adjoins our present beach. The Library was offered a building now standing on said property. The Library has accepted said building, and it will be moved when the Library Committee so desires.

This spring we plan to do some clearing of the additional land we now have, so as to make an afternoon at the beach even more enjoyable than it is now.

This past year we touched on a revolving program with the Town of Winchester, involving Swimming and Bowling. This also may be expanded this year to involve their children and ours in other activities.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is resonsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow, must obtain a fire permit, free of cost from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild, it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned-1972 season:

State	410 fires		361 acres burned
District	30	26½ Acres	26 spot fires
Town	1		Spot
